In January 2021, UPFH started the first patient on Sublocade which helped eliminate any possible diversion of drugs, protected our providers licenses and gave the patient the best possible opportunity for getting off opioids. This has been a great program with both the county and state have recognizing our efforts and helping with funding. By December 2021 over 100 patients had come through the MAT Program and there were 42 patients actively involved in our MAT program.

On March 31, 2021, Utah Partners for Health took over an additional 3232 square feet and began a remodel integrating that square footage with our existing medical clinic in West Jordan.
